SPECIAL EDUCATION FOCUS GROUPS

YOU are invited to help design the focus of special education training and technical assistance in Arizona!

The Arizona Department of Education, Exceptional Student Services (ADE/ESS), is inviting people who are passionate about special education to participate in focus groups throughout Arizona to learn about, discuss, and help inform the State Systemic Improvement Plan—the SSIP. For more information and a calendar of scheduled groups, see <http://www.azed.gov/special-education/ssip/>.
